President's Message

"Today you are you, that is truer than true. There is no one alive who is youer than you!"

Greetings Ladies! Can you guess who stated this popular quote? I am surer than sure that you can!

You got it! Of course, it was Dr. Seuss, the author who had such a witty way of saying things. There really isn't anyone out there that's more you than you are. It's something that can be said about you for your entire life. No one else can think for you, can do your work for you, and experience happiness for you. It's all up to you and you put your own mark on your life!

This quote was from his 1959 children's book, **Happy Birthday to You!** Perhaps you too will be celebrating NEA's Read Across America Day in honor of Dr. Seuss on March 2, 2019. This is the annual reading motivation and awareness program that calls for every child in every community to celebrate reading. Happy Birthday dear Dr. Seuss!

Our January meeting was well attended and we certainly ate a cozy and delicious breakfast at The Metro Diner. We happily installed 4 new members to our Beta Beta chapter and played a fun little game of "Now you have it or Maybe Not!"

Just a brief reminder that earlier this year our members had decided make a donation to offset the Scholarship Fund ($500) to York College of Pennsylvania instead of having any fundraisers. Many thanks to the several members who were able to make a donation during our January meeting. If any members would like to make a donation during our March meeting, cash or a check made out to "Beta

Beta" can be given to Pat Landis our treasurer. Thank you so very much for considering this donation which helps our York College students.

Speaking of York College students, our next meeting is on March 7th starting at 4:30 pm. and some students from YCP Kappa Delta Pi Education Honor Society will be present to talk to us about college life and specifically being an education major. Our meeting will be held at Bethlehem United Methodist Church (109 East Main Street, Dallastown) in the parlor. Refreshments will be provided by Historical Records and Rules Committees. Hope many members can attend this enlightening event.

Some future events to mark your calendars for will be the BINGO game that we facilitate for the Country Meadows' Residents which is on Friday, April 5 starting at 1:30 pm. Five Beta Beta members are signed up to help but we can always use more. Please email Norina if you are able to join us for this fun time.

Also, attached to this newsletter is the invitation and registration tear-off for our Four Chapter Brunch on Saturday, April 13thheld at Country Meadows Leaders Heights. Registration begins at 8:30 am. If you are able to come please send your registration and $5.00 Brunch fee to Jane Long by March 30, 2019. And, don't forget the Book Sale is that day too. If you want to donate any books to the sale, bring them along. This is a great way to get rid of some of the unwanted books that clutter the house and also find some new ones that you are interested in reading.

Lots of fun and interesting events are happening in the next two months. Hope to see you soon!

Norina and Kitty

Touch of Spring Basket

The March raffle basket/fundraiser for the Enrichment Grant is a "Touch of Spring" basket.

Since we all need something to remind us that warmer weather really will be here eventually, and new life begins at that time, the basket is filled with items that will help you "bloom where you are planted!"
Tickets are $1 each, or six for $5. Let's keep the fundraising going! See you in March!

Put A Sock In It

Put A Sock In It has realized 3,296 pairs of socks for January and February 2019. Sources were Southern School District, Dallastown Middle School, and various churches and organizations. Spring Grove is collecting socks until the end of February. The past 3 years, over 10,000 pairs were donated to Life Path and all given to those in need. Numbers this year are fantastic! Many thanks from those who we will never meet, but will have toasty toes because of our efforts. If you have contact with your school and can propose putting boxes into the school to collect orphan socks, I'll do the sales speech if you "get my foot in the door."

Thanks,
Crystal
