PRESIDENT'S MESSAGE:

Hi DKG Sisters,

I hope that all of you are having a very relaxing and pleasant summer. Shirley Folmer, Pat Shedlock, Barb Tobias and I attended the convention at Penn State in June and had an inspiring and great time ! The days were packed with activities and the food was WONDERFUL__You would not believe the desserts !!!!!! We came back filled with ideas and new DKG friends. We also decided to adopt the state project to help provide funds to keep the Head Start Program active in the public schools, and we will share that information with you at our meetings.

The program committee met recently and we planned our new year. There were so many good ideas that we compiled some for next year also. We always try to plan programs which will be interesting to active and retired teachers and that worked out well again this year. I wish all of you a very safe and pleasant rest of the summer, and I am looking forward to being your new president for the next biennium. I hope to see all of you in September.

Carol Holt

CONGRATULATIONS

Two of our Nu sisters were honored in the 2014 Album of Distinction at State Convention. **Karen Light** was recognized because she received an honor from PASR for serving members with honor and distinction.

Pat Shedlock was honored for receiving recognition by Salem Lutheran Church for serving as Council President and for leadership in forming the Lebanon Lutheran Cooperative Ministry. Sisters who earn recognition or awards are eligible to be included in the Album of Distinction. If you or someone you know deserves this honor, please let the leadership know.

Above: This is the chair our chapter took to convention to help kick-start the project to support Head Start.

Left: Barbara Tobias and Carol Holt offer our basket to the give-away contest at State Convention. Proceeds went to help cover the costs of the convention.
