The President's Message

WELCOME TO FALL

The weather has finally changed, just in time for the official start of Fall. I love the crisp fall air, colorful leaves, cooler temps and fall decorations. To get you into the season, at our October meeting we will be creating an autumn wreath. Please respond early as Paulette needs to inform Pat Catan's so they have the necessary supplies.

Thank you to everyone for a great first meeting in September. The venue was perfect, with an added bonus of leftovers for lunch. Ellen, Terry and Melody had us entertained with their Readers' Theater offerings. I especially appreciate everyone's enthusiasm for the ice breaker & sharing your choices of train-themed photos to depict your DKG journey. I hope you got to learn more about a fellow sister.

Along with this email, you will be receiving the state communique *The Spark* and a flyer from Marg Foster outlining our first project of book donations to Urban Impact. We will be using our chapter's donation of books as centerpieces at the Tri-Chapter meeting on March 4.

President's Message (cont.)

Speaking of the Tri-Chapter meeting... we need volunteers (about 6) for a subcommittee to help Phyllis Jenny with the centerpieces, basically tying the books together. This would be a great opportunity to jump ON BOARD and make TRACKS in your DKG journey. Contact Phyllis at pljenny@comcast.net.

Another subcommittee that we would like to form is for the mini-outings. It would entail organizing an outing or two for the year. From the surveys, most people are interested in dining/food tours, day-trips and cultural outings. Terry Klein has the survey information, and she and Paulette have some ideas to share. Contact Terry at tmklein@zoominternet.net.

At the September meeting, we selected Secret Sisters. If you were not in attendance and cannot make it in October, please contact me for a Sister. Hopefully, you will get someone you don't know very well and learn more about them, either through discussions at meetings or by contacting a friend. Most of our members have a birthday listed in the directory, so sending her a card would be nice. If your secret sister's birthday has already passed this year, you can send a "thinking of you" card or a half-birthday card. If your birthday isn't in the directory, please email Barb MacDonald bmacd@zoominternet.net so she can add it in the corrections. (We only need the month & day.) Secret sisters will be revealed at our final meeting in May.

Enjoy the beginning of my favorite month, and I'll see you on October 19. Oh, and speaking of October, if you want to dress in period (pick a decade) gear for the Birthday Bash on December 8, now is a great time to get a costume. You might want to pick the 50s as our charter year, or something representative of your first decade of teaching. (Hmm, early 80s. Big hair, big glasses and shoulder pads!) Costume not required, but hey, it's fun to dress up!

Please remember that your DKG dues of \$82.00 are due by October 15th. Your check, made out to "Delta Kappa Gamma", can be sent to Marg Foster at 200 Goldsmith Road, Pittsburgh, PA 15237 or brought to the October meeting.

PROGRAMS

Paulette Hemmings

Our next DKG meeting will take place on Wednesday, October 19th, at Pat Catan's at Mt. Nebo Pointe. Bring a brown bag supper and beverage for yourself or to share with some friends. Then get ready to display your artistic abilities as we design our own autumn wreaths! All of the materials and instruction will be provided, and you will have two choices: making a 14-inch wreath for \$25 or an 18-inch wreath for \$35, depending on which works better for you. You can make it for yourself or even as a gift for someone. I will need you to make your choice ahead of time so that there will be enough of the correct materials on hand, so send me your choice, along with your payment. It should be a creative and fun evening, and we hope to see you there!

Alpha Xi Journeys! My Delta Kappa Gamma Story Barbara Rankin

For several years in the '60's I was a mail person for DKG, delivering mail between members in my school district and a member who lived nearby, so I knew what DKG was, but I thought it was only for classroom teachers. So, I was surprised and honored in 1965 when I received an invitation to join. In 1968, at the encouraging of my principal, Virginia Hannan, I applied for a summer scholarship (not given any more), and went with her to the Convention to receive it. I was amazed at how she knew so many people there! I skipped a few years, but then went again, and found that now I knew some of the people there. Over the years I was a member on various committees, then chairman of several committees and then I became a state officer - Corresponding and Recording Secretary.

In 1990 I met Susan Stamm from Lambda Chapter (Grove City). We became good friends and have traveled to many Regional Conferences and International Conventions together. When I had been active on the state lever, I usually had to travel alone, so when I encouraged her to become active at the state level, I said I would travel with her.

I have made wonderful friends from all over the state, all over the country, and even the world through Delta Kappa Gamma. I believe in the purposes of the Society and am proud of my membership at the chapter level and the International level.

N.B. Barbara is a recipient of the Alpha Alpha State Achievement Award, the state's highest honor.
