Alpha Sigma Clapper

VOLUME 18 ISSUE 3

FEBRUARY 2017

"If we had no winter, the spring would not be so pleasant."

Greetings Alpha Sigma sisters!

As I anticipate the spring season's arrival that Anne Bradstreet (1612-1672) referenced in her quote, I am humbled to be reminded how much progress women have made through the centuries. Bradstreet never attended school, but her father understood the value of a strong, firm education foundation. Through his tutelage, Bradstreet is now remembered as an accomplished female early American poet at a time when women's roles were limited, yet clearly defined.

Covenant Presbyterian Church in Butler. Kudos to our Butler sisters who organized this **change of venue** and program. I'm excited that Polly Shaw will be our program speaker. Polly will share information about her book *Moraine State Park* which literally will be "hot off the press" with a publication date of March 20! Polly's program "Hidden History of Moraine State Park" will include pictures and stories that might not be well known about our local nature reserve. In addition, Polly will offer her book at a discounted price of \$20 following her program. Details about the meeting are below. Hope to see you at the meeting!

Far away there in the sunshine are my highest aspirations. I may not reach them, but I can look up and see their beauty, believe in them, and try to follow where they lead."
—**Louisa May Alcott**

"The day will come when men will recognize woman as his peer, not only at the fireside, but in councils of the nation. Then, and not until then, will there be the perfect comradeship, the ideal union between the sexes that shall result in the highest development of the race."
—**Susan B. Anthony**

"The first problem for all of us, men and women, is not to learn, but to unlearn."
—**Gloria Steinem**

Several of our sisters now winter in Florida: **Carol Herbert**, is our latest snow bird.

Remember Connections? When I first started doing the newsletter, I did a column called “connections” -unusual connections between Alpha Sigma sisters. Here’s a multi-chapter connection: **Patti Zinger** of Theta Chapter (Pittsburgh) contacted me to tell me that **Rose Ann Fulena’s** spring semester student teacher, **Julia Mittlemeier**, is a Theta Chapter’s scholarship recipient this year. Patti and her sister **Julianne** (also a Theta sister) have been guests at Alpha Sigma meetings in the past. Their aunt, our dear **Julie Venditta** brought them. Patti’s daughter, **Rachel**, is also a Theta sister– a teacher family.

On January 14, 1961, **Erla Atwell, Morfydd Brown, Marian Campbell, Mary Etta Eberhart, Stella Emrick, Betty Erdos, Pearl Gibbons, Eleanor McCullough, Martha Baird Patterson, Margaret Puff, Hazel Raisley, Margaret Read, Gertrude Ritzert, Pearl Smiley, Ruth Steininger, Mary E. Stinedurf, and Agnes Turnblacer** met and were initiated and installed (by Lambda Chapter sisters) as the charter members of Alpha Sigma Chapter. Current Alpha Sigma sisters (including our recently initiated new members) celebrated the Chapter’s 56th birthday, on January 14, 2017. They enjoyed cupcakes decorated with birthday candles, various coffees and teas at Two River Artesan Coffee Works in downtown New Castle.
