President's Message

Greetings Sisters,

Music has been a way for us to share our thoughts together and be mindful of the blessings that we have, even in these difficult days of the coronavirus-19.

Recently on my Facebook feed I saw and listened to a post of an old Elvis song, titled "One Pair of Hands", that spoke to me during this war on Covid-19. If you are able to see my posts on Facebook, I shared the song there or if you would like to pick it up on YouTube you can at the following address. It is a very inspirational video to view.

"The One Pair of Hands" that this song references, God's, those hands are still in charge and still speaking. I can only trust in them and have faith in them for now and for our future. I hope that you can too.

Our Beta Beta chapter meetings are all currently cancelled. It is impossible to predict when we will be safe to meet again in person. However, we can keep in touch with most members through email. The signs of spring are sprouting and new life can be witnessed as you look around. Hold onto that and be safe and healthy!

STAY STRONG SISTERS!
