# Beta Gamma Fall Newsletter 2018

## Quilt Making

Members of Beta Gamma, made fleece blankets for people in need. Beta Gamma members in partnership with St. Matthew's Church made blankets to donate to needy individuals in the area. In addition, some blankets will be sold at St. Matthew's and the proceeds will be used to help those struggling financially to pay some bills and other necessary expenses.

## York Heritage Museum

A representative from the York County Heritage Trust came to the Beta Gamma November meeting at Perkins to discuss plans for their new history museum complex in downtown York. The proposed structure will consolidate their collections into one building and offer a more interactive learning experience for visitors as they explore the history of York County.

Remember to bring in your donations! We are collecting items for the Lehmen center like tooth brushes, detangler, paper towels etc. We are also collecting hotel or travel toiletry items to donate to those in need.

## Other Events

Carol Fahringer a DKG member planned and coordinated a field trip for 8<sup>th</sup> graders to local businesses and downtown York. Giving students an opportunity to learn about various careers and explore diversity topics in Colonial York. The trip included a stop at the newly opened William Goodridge Center, a former stop on the Underground Railroad!

### December Auction

Our December meeting at Perkins Restaurant will include a silent auction. Proceeds from the auction will go to our Chapter's scholarship fund. Please remember to bring in items for the auction, and bring your purses to purchase some Christmas gifts.
