June 2019
Spring/Summer Edition

Our last meeting of the year was held at the Prancing Pig Pottery on Tuesday, May 7th, 2019. Prancing Pig Pottery is a paint your own pottery place. This meeting was rescheduled from the planned February meeting, which was cancelled because of concerns of ice.

Members chose from several available premade pottery options such as mugs, dishes, bowls and more and painted designs of their choosing. The studio fires the pottery and members could pick up their pieces a few weeks later.

Abigail Wurzbach is our \$500 scholarship winner. She plans on attending Penn State and has numerous accomplishments as well as a stellar GPA.

Members brought a selection of pretzels, crackers, cheese and other snack foods to share during the meeting. Following the pottery painting, was a business meeting.

Three Chapter Brunch

The three chapters meeting was held in April at Country Meadows, which served a delicious meal and were generous hosts. The special guest speaker was Leslie Delp founder of Olivia's House. Beta Gamma Chapter helped run the book table. Proceeds from the event were donated to Olivia's House in the amount of \$300.

CHRISTMAS MEETING

Successful Auction

This year's auction raised about \$270 for the scholarship fund.

Thank you for joining us at our Christmas meeting on December 3rd, 2018. DKG sisters met for the last time at Perkins, in East York. Incidentally, Perkins closed soon after and a new location will have to be chosen for our Christmas gatherings. Sisters brought many different items to donate ranging from gift

baskets, crafts, wine and more. Auction proceeds exceeded last year's numbers.

Chapter Donations

Pictured is our President, Jane Oerman with a donation of travel sized toiletry items. These toiletry items were donated to "Stitches from the Heart" from Calvary United Church. This organization donates the items to the homeless and needy of York County.

A donation of other items such as paper towels, detangler spray, children's toothpaste and brushes was also made to the Lehman Center. The Lehman center was very grateful for the donations, as they always need these items and will gladly continue to accept them in the future.

Lastly, we should have enough donations for our State Convention "Breakfast" themed Basket.

This summer some members will visit the State Convention. Also, others will be brainstorming meeting ideas for next year. If you have a meeting idea, don't hesitate to share it. We have some wonderful ideas for next year and I hope we can bring some to fruition. Enjoy your summer!
