Arts Retreat

Information is in the Keystonian
March 27-29
Olmsted Manor, Ludlow, PA

World Fellowship

Grace Schauer has asked me to let you know that she has further information about the World Fellowship recipients and would send the chapter's WF chairperson a copy of the brochure upon request. schauer@hughes.net

Puerto Rico

Many of you indicated an interest in connecting with our sisters in Puerto Rico. I am still waiting for contact information from their State Organization President.

State Achievement Award

See the attachment titled "State Achievement Brochure". Do you have a chapter member who deserves to receive this prestigious award?

SAP Recognition

State Committee Chairman, Sue Stamm will be recognizing chapters that have a Strategic Action Plan at the State Convention. Be sure she is aware of your plan!

State Convention Raffle Baskets

Many of you will remember the problem with wine in the raffle baskets at convention. There is a state law that does not allow any alcoholic beverages to be part of a raffle. This law also includes gift cards or certificates to wineries or breweries. As you make your plans for your raffle basket, please keep this in mind.

Our baskets are always lovely, and you are always very generous. Keep in mind that "size matters". The person who wins your basket, must also transport it home.

Hold Harmless

Did your chapter sign and submit the Hold Harmless Form? It was due October 15th. If not, please due that as soon as possible. Questions? Please contact me.
