The Seven Purposes of the Delta Kappa Gamma Society International

To unite women educators of the world in genuine spiritual fellowship;

To honor women who have given, or who evidence a potential for, distinctive service in any field of education;

To advance the professional interest and position of women in education;

To initiate, endorse, and support desirable legislation in the interest of education and of women educators;

To endow scholarships to aid outstanding women educators in pursuing graduate study, and to grant fellowships to women educators from other countries;

To stimulate the personal and professional growth of members, and to encourage their participation in appropriate programs of action;

To inform the membership of current economic, social, political, and educational issues so that they may participate effectively in a world society.
