# PSIGN OF THE TIMES

APRIL 2019 Psi Chapter Vol. 10 Issue 4  
Pennsylvania State Organization

Dear Sisters,

I cannot believe that time is flying by so quickly!

Here it is April already and we are half-way through this biennium. I am so glad spring is on the way and soon will be able to visit with our Psi chapter sisters again!

In looking over my first year, I feel we have made many accomplishments.

During our August meeting we filled lots of new teacher bags which included brochures about DKG. In October, we had a very successful Ways and Means meeting and welcomed our State President, Barbara Gasperini, and Past State President, Carolyn Sutton. We also gave a nice contribution to the International Emergency Fund to help our sisters in need that have suffered from natural disasters in our country. At this meeting four recipients received \$600.00 recruitment grants. Then in November, we held a fun filled successful Mini Arts Retreat.

I am also happy to report that our Girl Scout Project is moving along. The project committee had several meetings and worked out the criteria for a Brownie troop. Chrissy Myers presented the project to a troop in Brockway. After successfully completing the requirements, each girl was presented a certificate, chocolate rose, and Girl Scout patch at their awards ceremony Thursday, March 28. Chrissy will share their scrapbook of accomplishments for all of us to view, and it will be on display at this year's State Convention in State College.

Karen Ball has been working hard on our Standing Rules, and they are up to date with the State's Rules. I will email you an attachment that each of you can print off to include with your White Book.

March 29-31, Linda Stahlman, Phyllis Howard, Karen Ball, Tracey Dusch and I attended the state's Creative Arts Retreat in Ludlow, PA. It is amazing to see all the gifts, talents, and art forms other sisters in the state have to present to us. A few of the workshops these gals attended were, making needle felted sheep, tips about photography, folded star photo albums, Karen Ball's jewelry

presentation, water color, silk ribbon embroidery and folded book art. I highly recommend the time to get away, meet other sisters, and refresh from the normal stressful routines of life. The creative arts retreat will be held again in 2021.

It is the time of year to make plans to attend our state convention. Information is in the spring *Keystonian to register and sign up for sessions*. I want to encourage all of you to go. I know everybody that has taken the opportunity to attend our Convention can say they have many fond memories, met new friends and experienced the operation of DKG on a higher level. PLEASE consider attending. You can go for the entire weekend or come for one day. I guarantee a wonderful experience!!!! Please let me know if you plan to attend this year.

Now concerning *membership*, it is very important for us to keep our chapter fresh and growing. If you know of any potential key women educators that would be able to benefit from our organization, invite them to one of our meetings and share with them the many benefits of this great organization. It is much easier for those still in the school system to reach potential candidates and introduce them to DKG. Also, we now have collegiate membership. College students in education that are in their 3<sup>rd</sup> and final years of college are eligible to join. Membership is \$25.00 and there are many wonderful networking possibilities for those that become members of DKG.

Finally, it is **VERY IMPORTANT** that *you pay your dues of \$77.00 to Phillis Howard by June 1<sup>st</sup>*. I would suggest paying your dues at this April meeting. The change has been made by the state to keep up with the international fiscal year. We will not be paying dues in the fall anymore. Also keep in mind your membership card will not be printed every year. I believe you will be able to obtain a copy of your card if needed from the international DKG website.

If you are interested in professional development opportunities, please look into the Cornetet award. The *Lucile Cornetet Individual Award offers financial support* for professional seminars, workshops, lecture series, national board certification (initial certification only), on-line courses, and other non-degree programs. For more details, and to apply, visit [www.dkgef.org](http://www.dkgef.org) and click on the "Apply" tab. *The deadline is MAY 1st*. This award was presented to Chrissy Myers in 2015. If you have any further questions, please feel free to talk to Chrissy.

Remember, as you get on the band wagon, we are strengthened by working together for the purposes of the DKG organization. Each of you have something to offer that will allow us to succeed!

Looking forward to seeing each of you April 26!!

Sincerely,  
Nancy Hills, Psi Chapter President

## **DUES ARE DUE NOW!!**

BIG change has come to Delta Kappa Gamma when it comes to DUES! Instead of paying them in the fall, members will now pay them in the spring. Unfortunately, that means **payment must be**

made to Phyllis by June 1, 2019! Yes, it seems like you just paid them - you did! BUT, you will NOT have to pay them in the fall! Be ahead of the game and pay them at the April meeting OR mail them now, if you are unable to attend the meeting, so you don't forget!

## DUES ARE DUE NOW!!

### WAYS & MEANS

Past State Presidents Tracey Dusch and Carolyn Sutton with State President Barbara Gasparini, look forward to shopping at Psi's Ways and Means! The tables were covered with repackaged jewelry and many wonderful hand crafted items! There were also many delicious food items that were too tasty to pass up! Bingo was a FUN time as always with many winners! A BIG Thanks to the committee for a fantastic job!! Co-Chairs Debbie and Kim reported that we made \$2533.93 this year!!!

### RECRUITMENT GRANTS

Becky Raybuck, Professional Affairs Chair, presented \$600 checks to each of the four Recruitment Grant Recipients. They were Delaney McMeekin, Kira Smith, Jamie LaBenne, and Jordan McGee (for her sister Lauren). Fortunately, Lauren was able to make the meeting later and receive her check. Psi Chapter wishes the Best of Luck to each of these worthy ladies in their future endeavors.

### MINI ARTS RETREAT

On November 3, Psi Chapter held it's Second Mini Arts Retreat. Making scones, Playing the Ukuleles, learning Mah Jong, Book Club. Everyone had a great time! Thanks to our planning committee and instructors!

## STATE CREATIVE ARTS RETREAT

Phyllis Howard, Linda Stahlman, Nancy Hills, Karen Ball and Tracey Dusch attended the Arts Retreat in Ludlow.

Creative is the key word - lots of wonderful projects, songs, dance/movement and ideas were produced during the weekend. Of course, friendships were made and renewed, laughter was a high priority, and fellowship was an integral part of the delicious meals that were served. Make plans to attend the next one!

## STATE CONVENTION

The State Convention will be held June 14-16, 2019 at the Nittany Lion Inn in State College. All of the information needed - registration and room reservations - can be found in the Spring Keystoneian. You will also find the bios of the guest speakers, descriptions of the workshops, and nominees for the 2019-2021 State Officers, helpful hints for the convention and the convention schedule. Psi members always have a fantastic time at the convention - do not be left out! Make your plans NOW!!!!

## 2019 WAYS & MEANS

Karen Ball

I hope you are quickly adjusting to the time change. Unfortunately, it always sends me into a tailspin for a few weeks until I get my sea legs. Recently I was reading an article on crafting that caught my eye. Do you know that the crafting industry is a **44 BILLION DOLLAR a YEAR Industry?** Personally, I know I have done my part to add to this total. One of the things that always gets to me is the fact that I need one-maybe two small items, but they are only sold in a bag of 25 or 50.

So, what do you do? You try to substitute with something else, and trying unsuccessfully, you wind up going back to the store to grudgingly buy that package of 25! Now I am stuck with something I have to store, ugh!

Well, it's time to clean out all your storage bins, ladies! Free yourself from the **"clutter bug"** and at the same time earn some money for our Recruitment Grant funds! Barb Clark and I are collecting any of the items listed below, and we will take them, organize and price them, and present them for sale at Ways and Means!

Won't you do your part and help us along? Hey! You might even have neighbors that are in the same boat and would like to just get rid of the clutter knowing it is going for a great cause.

### Spread the word!

Please talk to the Psi sisters in your geographic area and collect as a group. Then contact Barb or me, and we will arrange to meet and pick up all of your goodies.

I urge you to do this while the weather is too lousy to get outside and also to give Barb and me enough time to dig into the tons of loot that you all will provide. The items that remain after the Ways and Means sales will be donated elsewhere. Remember. . . **"If each one, brings one. . .or two guests"**, we can have 80 or more people present to buy our goods and increase our sales!

Looking forward to collecting your bags and bins full of goodies!

Contact me when you need pick up!
