

## **REPORT OF THE RULES COMMITTEE**

### **I. Role**

The role of the Rules Committee is to maintain and manage the By Laws and the Standing Rules of Alpha Alpha State. When amendments, additions or other changes are proposed or become necessary, the Rules Committee manages the process and updates the documents.

### **II. Biennial Goals**

The goal for 2013-15 biennium is to make any revisions for both By- Laws and Standing Rules to be in agreement with the 2010 Constitution. In addition, any new proposals that are submitted will require voting at State Convention. The Rules Committee also would like each chapter to update their chapter rules and send them to the Rules Committee.

### **III. Accomplishments Related To Goals**

President Kay Stuart has been working closely with the Rules Committee. The Committee has received many updated rules from chapters and chapters are in contact with the Rules Committee. Thank you! The Leadership Development Committee's training in February helped new presidents, officers and members understand changes and revisions.

The By Laws and Standing Rules are available on the state web site. Each chapter's rules are fluid documents which grow and change with the chapter that they govern. No two chapter's rules are alike.

### **IV. Recommendations**

None

### **Committee Members**

Patricia Crouse, Kappa, Chairman  
Ruth Glotfelty, Kappa  
Susan Martin, Eta  
Kristen Hall, Alpha Beta  
Heather Lilienthal, Beta PI  
Jeannette Thomas, Beta Theta
