## *President's Message*

Greetings Sisters,

Wow! It was wonderful to see so many smiling faces at our first Beta Beta meeting! Thank you to the 22 sisters who were able to attend the meeting at Friendship Elementary School. Also, a special thank you to Beth Koontz for hosting our group at her school and to the two very special ladies who provided our delicious refreshments! Many things were accomplished at the meeting, and it is thrilling to know that so many of you were there to provide sisterhood and input.

It was our personal pleasure to be able to honor those sisters who have been members of the chapter for 25 years or longer. What an accomplishment to be such committed members! Thank you, Zatae, Connie, Hester, Ella Jane, Helen, Dr. Anne, Doris, Gladys, Mary, and Kim for your years of service to this worthwhile organization.

Judy Tyson, Projects Chairwoman, presented our projects for the biennium. One of our service projects will be the continuation of providing Beanie Babies for the children who come to the emergency department at Memorial Hospital. Another project that we will be undertaking is an afternoon at a retirement/nursing home playing bingo with the residents. More information will be forthcoming about that event. In order to fund our service project to York College, we will be selling car wash cards. We will order/sell them for 7 weeks, beginning at our October 2<sup>nd</sup> meeting, and culminating at our December meeting. Where else could you get a 50% return in sales to the chapter and give the gift of cleanliness? The cards will sell for \$8 each. They are a terrific stocking stuffer or an appreciated

gift for your hairdresser, the paperboy, the mail carrier, a babysitter/daycare worker, or any other number of people whom you wish to remember at some point in time. The cards do not expire and can be used in York, Lancaster, Reading, and Ephrata. Our initial goal is to sell 75 cards as a chapter, but more can be ordered at any time prior to our December meeting. If we each try to sell 5 cards, our entire service project will be funded painlessly and with something in-hand for your efforts...a win-win situation if ever there was one.

As we look forward to the growth of our chapter, one way to assist future members was voted on and accepted at our September meeting. Our chapter will now pay the fee for initiation, the nametag, and the membership pin for incoming members. In other words, the only thing a perspective member will need to pay is the membership dues for the year. We were concerned that the cost may have been one reason younger teachers are reluctant to join DKG, so this should help alleviate that cost concern.

Our next meeting will be held on Thursday, October 2<sup>nd</sup>, at 5:00 PM. The meeting will be hosted at York Hospital. The Pediatrics Department will provide the program. We will congregate in the atrium at the hospital (near the grand piano) at about 4:45PM. Parking is free in the lot directly across from the “tower” where the atrium is located. Lolly Dick has graciously volunteered to provide refreshments for the event, so the Performing Arts Committee and Program of Work Committee are off the hook for that duty! THANK YOU LOLLY! The Membership Committee (Becky C. is chair) will provide the reflection, and Pat W. will provide the icebreaker activity for the evening. We are looking forward to an informative program and, especially, hoping to see as many of you as possible at the meeting. If anyone is in need of a ride, just let Kathy Lauer know (792-1965 or [klold@comcast.net](mailto:klold@comcast.net)) and she'll do her best to connect you with transportation.

Yours in sisterhood,  
Kathy L. and Pat W.

## **OCTOBER MEETING**

The October meeting of Beta Beta will be held on Thursday, October 2, 2014, at 5:00 pm at the York Hospital. Our group should meet by 4:45 near the children's play area in the Atrium of the York Hospital. This is the section of the Atrium adjacent to the grand piano and the York Hospital Information desk. Convenient free parking is available in the parking garage right in front of the Main Entrance/ Atrium. Our presenters will meet us there and begin by explaining the reading program offered at the Loretta Claiborne Health Center and the Atrium. In addition we will learn about numerous volunteering opportunities sponsored by Wellspan. We will have the rest of the presentation and our regular Beta Beta meeting in one of the hospital classrooms.

## **DUES FOR 2014-2015**

Dues for this year remain the same - \$75.00 for active members and reserve members \$51.00. If you cannot attend the meeting, please mail your dues at your earliest convenience - checks made payable to Beta Beta. It is important to pay your dues on time because we have a due date to meet to send the dues to the state.

## **SPOTLIGHT ON A SISTER**

This month, we are proud and delighted to shine a spotlight on Linda Ehrhart. Linda has been a member of DKG since 1997. She joined Beta Beta when she was a teacher at Friendship Elementary School in Southern York County School District. Linda hails from Greencastle, PA, and graduated from Shippensburg University. Early in her career, Linda was stuck somewhere behind a staircase for her "classroom." When she got to SYCSD, she set up a "real" classroom and brought enlightenment and knowledge to many a student.

Linda and her husband, Steve, have lived in the York area for four decades. Despite the many challenges educators face, Linda always remained calm and

caring in the classroom. (Even when she was exasperated, she found a way to communicate effectively to those around her!) She always maintained a listening ear to colleagues and is a great friend to many. If awards were given for level-headedness and a talent for being able to view a situation and make order out of chaos, Linda's shelves would be lined with golden figurines!

Linda has undergone a series of surgeries in recent years, and is currently facing health challenges. Despite this, she looks forward to calls, cards, and visits from friends while she is in Room 414 at the Health South facility on Pauline Drive. We wish her well and send uplifting thoughts and prayers to her. Thank you for your sisterhood, Linda.
