## **PRESIDENT MEIER BAUER**

### **This Holiday Time**

As we prepare this newsletter, we are in the midst of or just past Thanksgiving and are entering into the Christmas and Hanukkah time. These holiday times seem to run together and I find that very fitting. We begin and then can extend a special time of recognizing family, friends, acquaintances, and those in need. It becomes an extended time of gratitude.

Life is a gift regardless of how great or how troublesome it may seem to be. Express to yourself each morning and again each evening the things you are grateful for. Say thank you to others to show your appreciation for all the small things they do for you. Provide specific examples to yourself and to others for those things that you appreciate. What you focus on grows. Focusing on the many gifts in your life creates more of these gifts.

I am grateful for the many members maintaining their chapters and striving to impact education worldwide. I am grateful for those who have accepted state leadership positions. I am grateful for those who care so much about the importance and value of education and are making a difference in the lives of learners.

To all of you - a huge thank you and a wish for happy holidays!

## EDUCATIONAL EXCELLENCE

*Debby Canter, Educational Excellence Chair*

### Alpha Delta State Educational Excellence Committee:

***Providing assistance to children in Ohio's Foster Care System  
(EEC Goals 1,2,3)***

### **How can our chapters and members help?**

**Find a foster care agency in your area.** It can be the local Job and Family Services, a religious organization, a hospital, or a private agency.

**Set up a meeting with someone in the organization** that has direct contact with the children or the person responsible for assistance to the children. Complete a needs assessment during the meeting. (diapers, car seats, backpacks, books to call their own, clothes, socks, underwear, make-up bags, duffel bags/suitcases)

**Invite that person to one of your chapter meetings** to speak to your members. Have a discussion about the needs assessment and decide what would be ***reasonable*** for your chapter to do.

**Make a plan**, a timeline and follow through. Report on the progress at every chapter meeting. Share your chapter's story with *The Voice*.

### **Chapter Showcase**

Every chapter is encouraged to show-off the good things that your chapter does at this year's State Convention. Begin planning now the program or project that demonstrates the mission or a purpose of DKG, take your pictures, write about it, make it fit on an 8.5 x 11" paper.

### **A display board will be provided at the Convention.**

This is an exciting way to highlight one of your programs or projects, provide ideas for other chapters, and just be a "show-off". The Personal Growth & Services Committee is taking responsibility of the Chapter Showcase and they are hoping that so many chapters will respond that it will be necessary to rotate the displays during the Convention.

**Alpha Psi Chapter has already created their display for the  
DKG State Convention!**

## WHAT SHOULD A CHAPTER KEEP?

Sally Gillmore, Alpha Delta State Historian

Keep, keep, toss? What should we do with all this stuff?

Is your chapter having a birthday in 2018? Of course it is. If your chapter is more than 10 years old...how much stuff have you gathered? How many scrapbooks with unlabeled pictures do you have? How many convention booklets, etc. First, label pictures if you can!

*The question is: what should you keep?*

KEEP, KEEP, KEEP:

>Minutes

of all meetings, general membership and executive board -- minutes should include official motions and resolutions, including resignations, new memberships and all other governing actions.

>Yearbooks \* Newsletters \* Meeting notices and/or yearly program schedule

>Treasurer's yearly reports and/or budgets

There should be **ONE file of each**, not one for each president. So you shouldn't have Mary's box, Susie's box, Margie's file cabinet, etc. Instead, one file that flows **from 1938 - now** on each topic.

**>Label pictures if you can!**

My new jobs with Alpha Delta State, Historian, and Liaison to The Ohio History Center (where we have our state archives) causes me to look again at this problem.

Personal experiences As I begin to sort Sigma's materials, I started with the earliest scrapbooks, the first of which has wooden covers and takes us through the 40s and 50s, with a lot of material not inserted in their body, folded at the back of the scrapbook.

**I am photographing the items,  
then I intend to convert them into photo books  
of uniform size.**

**INTERESTING FINDING:** there are many newspaper articles featuring our members, as well as many written by our members and published in educational journals and Ohio Schools Magazine (OEA).

Finding treasures I have a list of items held in our state archives and many of our early convention booklets, banquet programs, are missing. I found four of those in Sigma's early scrapbooks, I have asked permission to donate those to the state collection, and received overwhelming "do it!"

### **Is That All?**

This is the first of a series of articles to let you know what the archives need FROM YOU and if we can help you with your sorting. You will know where I am with mine, as I move through the process I will keep you posted. If you find a missing item, let me know and we will find a way to get it to the archives. I will be working on filing on the Friday morning of the State Convention.

### **Missing State Convention Booklets and related materials:**

1947 (Cincinnati), 1948 (Cleveland), 1954 (Dayton), 1956 (Canton), 1958 (Toledo), 1965 (Columbus), 1966 (Akron), 1968 (Cincinnati), 1969 (Cleveland), 1970 (Toledo), 2008 (Cincinnati), 2009 (Cincinnati), more next time!
